Phil,

Hopefully, the formal letter from EPA transmitting the Hanford Order will get signed today. I heard from John Schmidt that he got a copy already.

As I mentioned, and as the letter will say, we are available to discuss the Order. If you want to schedule something for next week, or later, please let me know.

Julie Vergeront and I will be on for sure, and maybe Davis Zhen and Don Dossett. I think Julie has mentioned the Order and meeting idea to Kay Shirey.

Feel free to give me a call if that is easier.

Phil,

Attached is the signed Order. I am drafting a letter to Ecology today that will formalize our communication of the Order/decision. Once you all have had a chance to digest the Order, we'd like to organize a conversation to answer any questions and talk about what's next. Maybe we can make that happen next week.

Doug,

Do you have a copy of the response to Mr. Green's requests to object lawsuit? If so, can you share a copy with me?
